## Please Pray...

- FamilyLife - for record attendance at this year's Weekend to Remember conferences and to see many marriages changed and souls saved.
- Michael - for energy and focus as we work hard to find those called to join our support team. For a successful surgery on March 26th to remove the longest screw from his leg.

# Corbin Life

Keeping you connected as we serve with FamilyLife

MARCH 2009

## Don't Lose Your Love Just Because You Lost Your Job

FamilyLife wants to help couples through one of the most difficult times in marriage and life. If you or someone you know can benefit from this information, please share the following excerpt from a recent FamilyLife announcement.

*"If your family has been hit hard by this recession and one of you has lost your job in the past six months, call us. Our generous donors are making it possible for FamilyLife to give you and your spouse two complimentary passes to our life-changing Weekend to Remember conference to help you focus on each other and reconnect."*

*"We have a limited number of seats available on a first-come, first-serve basis. Call 1-800-FLTODAY if you've lost your job recently, and we'll protect your privacy. We'd like to help couples through this financial challenge."*

- Alecia - for strength, endurance and peace as she helps Michael during this recovery time and prepares for our move to Little Rock.
- Gabriel & Naomi - that they will remain excited about moving to Arkansas to "work for Jesus."
- Potential Ministry Partners - that God will lead us to those He is calling to join us in our fight for the souls of our nation.
