## Impact!

God has been using FamilyLife to impact marriages this year. Here is a testimonial from a recent Weekend to Remember:

*We were part of a Weekend to Remember in Grapevine. Wow! What a weekend! After 13 years of marriage, one morning I discovered an email that opened the door to my husband's salvation and the restoration of our marriage. This email pointed directly to adultery. At first, of course, it was "this was the only time." That finally gave way to the truth: unfaithful from the beginning of our marriage. I am a Christian, but I felt lost. I cried out desperately to God and He heard. The same day I discovered the email, my husband's full guilt and shame came pouring out and he accepted Christ. It's odd because it's the worst and best day all in one. I felt like we needed "something" like a new start, but I didn't know how to make that happen. Even though we were now both saved, we needed help. The weekend was a big part of our new beginning and it gave us a lot of needed help. It gave my husband direction in how to start leading his family. It helped me understand more than I can possibly put in a letter! So, thank you, please keep up God's work in restoring lives.*

## Please Pray...

- FamilyLife - for a productive summer, preparing for the next season of conferences.
- Potential Ministry Partners - that God will continue to give us many more people to talk to as we build momentum in our support development.

- Michael - for a smooth transition as he shifts his focus to full-time ministry and support development. His last day at Sign Pros was July 2.
- Alecia - for patience and energy as she organizes our schedules and manages the children (and Michael) in very close quarters.

- Gabriel & Naomi - that their excitement about "working for Jesus" will continue to grow.
