- *That our efforts to distribute audio content in new ways will impact millions of lives.*
- *For many radio stations to syndicate our content on their websites to bring help and hope to cities across America.*
- *Translation of FamilyLife Today® into the top ten spoken languages: Mandarin, Hindustani, Russian, Arabic, Bengali, Portuguese, Malay Indonesian, & French (we're already in English and Spanish).*

Staying Busy

Spring has been packed with activity so far. From gardening to soccer to Easter to storms and flooding, we've had plenty of excitement.

Alecia (with a little help from Michael and the kids) planted our vegetable garden and has started baking fresh bread. Along with all the responsibilities to our family, she has provided leadership for the childcare at two FamilyLife staff events this Spring. Alecia also helped organize a special function for all of the women at the ministry.

These are MY eggs!

Gabriel and Naomi have been playing Upwards Soccer and continue to grow and improve every week. They are also doing very well at piano. Gabriel receives lessons from another FamilyLife missionary wife, while Naomi is learning from her Mommy (she'll start formal lessons in the Fall). Finally, thanks to all their hard work (and Mom's patience), they have also finished school for the year!

The twins are doing well. They still look tiny, but continue to grow and develop. The legal situation surrounding them is still very stressful, but we are believing God to continue to work on their behalf. Please keep praying for the twins, their mother, and their siblings.

We'll be making another trip to Florida to raise support and to see our nephew graduate from high school. If you're in Florida and would like us to stop by sometime between May 28th and June 4th, send us an email or give us a call!

So let us come boldly to the throne of our gracious God. There we will receive his mercy, and we will find grace to help us when we need it most. Hebrews 4:16 NLT

We are praying for you daily. Let us know if can pray for a specific need on your behalf. Please continue to pray for our family, our ministry, and those we are privileged to touch with the Gospel.
